

We are at your service. Worldwide.

Guiding you through all logistics challenges.

Almost every company is doing business with China nowadays. However, operating in China has its own complexities. Knowledge of local regulations is important for your success and you can rely on us to guide you through the logistics challenges. The current service portfolio of Go-Trans includes worldwide sea freight and airfreight services, logistics services and distribution in China, customs clearance and NVOCC activities. Go-Trans owns two Wholly Foreign Owned Enterprises (WFOE) in Shanghai and Shenzhen.

Over the last 140 years, Gondrand has made a name for itself as a global premium logistics provider, offering worldwide transport and logistics solutions. Our excellent reputation is based on reliability, trust and a far-reaching competence built on experience and expertise. With over 70 offices and 1250 employees, we are experts in road, air and ocean freight as well as contract logistics and special transport solutions. As a client of Gondrand, you can be sure of receiving personal attention and first-class services tailored to your specific needs.

Go-Trans Asia

Our service portfolio.

Air freight

We will transport for you any type of goods, either as single or consolidated shipments, via all major airports to any continent. As a partner of leading airlines, we can always offer you the cargo capacity you need. Our offices in Hong Kong, Mainland China and Taiwan are connected to Gondrand's international air network with various carriers and agents.

Sea freight

We are present at all major Chinese ports. Our sea freight services give you flexibility and value for money. Experts coordinate every stage of the transport chain, moving goods via ports efficiently and with optimised routings from door to door. Worldwide.

Customs

Organizing customs clearance or applying for licences via our experienced customs specialists at ports and terminals guarantees that your goods are always on the move.

Our head office for Mainland China is located in Shanghai.

Customised solutions that meet your requirements.

Project Forwarding

We take over parts of your project or assume the entire project handling – integrated solutions are just as feasible as turnkey handovers. Our dedicated teams not only realise the transport of individual oversized bulky goods but also implement entire industrial projects.

Distribution

Pick-up, delivery and distribution? We ensure timely and reliable trucking of your goods in this dynamic region. Our network and professionals throughout China organise the distribution of smaller shipments as well as full truck loads.

Logistics

To support the development of your supply chains, we are offering customised logistics solutions that meet your needs. Our experience in local Asian markets enable you to concentrate on your core business.
